WAVES OF CHANGES

Accelerating action and finance to save the Baltic Sea

24 APRIL 2024 - 15:00-16:30 EET / 14:00-15:30 CET

MORE INFO

PANELLISTS

VICE-CHAIR, FÄLTBIOLOGERNA, SWEDEN

is the vice chair of Fältbiologerna (Nature and Youth Sweden), the Swedish Society for Nature Conservation youth organisation. She is 23 years old and has a long background in marine environmental questions, and studied marine biology at Hofstra University in New York.

**REGAN
MCENROE**

**MARK
ESKELUND**

POLICY ADVISOR, DANISH COASTAL FISHERIES PRODUCERS ASSOCIATION, DENMARK

is the political advisor in FSK-PO (Danish Small-Scale Fishermen's Producer Organisation) and with a professional background as an official in the Danish Ministry of Environment, fisheries, the foreign ministry and other fisheries-related interest groups and consultancy. Marc has degrees in economics, biology and civil engineering in fisheries science and technology. He lives in Copenhagen where he also grew up with the Baltic Sea only 5 minutes away.

SENIOR ADVISOR, THE CENTRAL UNION OF AGRICULTURAL PRODUCERS AND FOREST OWNERS (MTK), FINLAND

has a master's degree (agriculture) from the University of Helsinki. In 2002, she started working on agricultural water protection issues in a provincial MTK union in Southwest Finland. Since then, she has participated in several agricultural water protection projects. Her main responsibility is the issues related to water protection, but she also deals with topics of nutrient recycling. She has her farm where she farmed for almost 30 years, but now she has rented fields to a young farmer.
